

Harvest School of Supernatural Ministry

Blessings to all of you,

During the past three years, we have been involved in a school of supernatural ministry, based out of Bethel Church in Redding, California. There have been significant changes in our lives as a result. Based on the growth that we have personally experienced, we now feel led to offer this school to the community.

We are offering this class under Harvest Community Church's pastoral oversight. We invite you to view the application which is attached. If you have questions after viewing the application, you are welcome to contact one of us. (harvestssm@gmail.com) Please feel free to share this information with those who would benefit.

Respectfully,

Harvest Community Church Prophetic Leadership Team:
